Nottingham City Council

School Admissions Hub

The screenshot shows the Nottinghamshire County Council School Admissions Hub website. The header includes the council's logo and a search bar. The main banner features a group of diverse children and the text 'School Admissions'. Below this, the 'School admissions hub' section provides information about primary, infant, junior, and secondary schools, including catchment areas and application advice. It lists two application periods: in-year transfer for the 2024-2025 academic year and secondary school places for September 2025 (starting from 5 August 2024). A grid of six green buttons offers further navigation: 'Find a school', 'Apply for a school place', 'School catchment areas', 'Applying for a school place September', 'Key dates', and 'Not sure where to start?'. The 'Applying for a school place September' button includes a sub-link for children needing a school place for September 2025 and living in specific areas. The 'Key dates' button provides information about key dates for coordination of admission applications for 2025-2026. The 'Not sure where to start?' button prompts users to enter their child's date of birth.
