Y7 How should nations conserve & protect the world's natural resources?

Y8 Do people have a right to choose how many children they have?

Y9 Should high income countries take responsibility to support LIC countries?

GCSE How should people take responsibility to protect value ecosystems?

A LEVEL What are the ethical implications of global systems such as trade blocs?

Spirituality relates to fundamental questions about the meaning and purpose of life. It is not dependent on religious beliefs. It includes the universal search for individual and communal identity. Spirituality in an innate human capacity. It is not about becoming more spiritual in a measurable sense. It is about realising or becoming more aware of our natural, innate spirituality. Students do not reach a finished state of spiritual development but participate in the ongoing process of spiritual realisation.
