How are Egyptian, Greek and Roman medical beliefs and practices similar? (Y7)

Was there a birth of new ideas in the Renaissance? (Y8)

Do world wars benefit the world? (Y9)

What is the significance of key individuals or events in the history of medical development? (GCSE)

How far did intellectual and religious ideas change and develop in the Tudor period? (A Level)

Galleries of Justice (Y7)

Battlefields Visit (Y9)

Auschwitz Visit (Y12/13)

Spirituality relates to fundamental questions about the meaning and purpose of life. It is not dependent on religious beliefs. It includes the universal search for individual and communal identity. Spirituality is an innate human capacity. It is not about becoming more spiritual in a measurable sense. It is about realising or becoming more aware of our natural, innate spirituality. Students do not reach a finished state of spiritual development but participate in the ongoing process of spiritual realisation.
